

DIRECTIONS TO OUR OFFICE: 5290 Overpass Rd, Suite 128

The first time coming to our office may be tricky to find.

Going North on the 101 exit to the RIGHT onto the deceleration ramp for the **Patterson Rd exit**. Make a LEFT at the traffic light onto **Patterson Rd**. Go over the bridge that carries you over the 101 until you reach another traffic light near the bottom of the bridge. Make a LEFT onto **Overpass Road**.

Overpass Road gently curls to the left for a few blocks - **slow down** - and make a RIGHT onto the second driveway - you will see a SMALL BLUE SIGN called **Creekside Plaza**. Make a RIGHT just before the **SMALL BLUE SIGN** sign - you are now inside the parking lot of our office complex - **Creekside Plaza** (the offices look GRAY - TAN and should be on your LEFT SIDE if you made the correct turn – If the offices are on your RIGHT you turned at the 2nd entrance. Go to *** below for guidance)

On your LEFT there will be parking spaces - some say RESERVED some say VISITOR. Park in any open visitor spot (you may have to travel around the building to find a visitor spot).

Important Landmark: There is a **mailbox** for all of these offices where you enter the office complex. This is the walking entry point into our office complex. You will then encounter a **T** on your walk path. Make a RIGHT and you will enter a square-like courtyard of offices. Once you enter the courtyard scan slowly towards your RIGHT and you will see several **BLUE OFFICE SIGNS**. You will then notice 2 WICKER CHAIRS alongside a 6FT **GREEN PLANT** and our **BLUE SIGN** with our names on it.

***2nd Entrance 2nd Creekside Plaza Sign Directions

If the offices are on your RIGHT SIDE you missed the first **Creekside Plaza** entrance and entered the second entrance. All is well. You continue forward and look for a visitor spot on your RIGHT SIDE. Midway is the walking entry point into the GRAY-TAN office complex. Enter through there until you reach a T that has the directory sign and make a LEFT to enter into a square-like courtyard of offices. Scan slowly towards your RIGHT and you will see our 2 WICKER CHAIRS and a 6ft **GREEN PLANT**. Our **BLUE SIGN** with our names on it should be visible.
